Dear Mr. Berg:

Per NCAA certification legislation, the **Desert Reign ProCity Summer League** at Lawrence and Heidi Canarelli Middle Schools in Las Vegas, Nevada, has been NCAA-certified. Division I student-athletes are permitted to participate in this league **ONLY** on the following dates: **June 16 to August 18 (Monday-Friday)**.

You must obtain written permission from the institution's athletics director (or the director's official representative) for each participating Division I student-athlete **PRIOR TO** his/her participation in the league.

Note: If prospective student-athletes (high school and/or two-year college athletes) will participate in your league, Division I coaches are not permitted to be in **attendance at any time** – not even to observe their own student-athletes that may be participating unless separate NCAA event certification is applied for and obtained.

Activity operators are responsible for knowing and operating their events/leagues according to information posted on **www.ncaa.org/ECAG**. You are encouraged to make yourself familiar with the online information as you will be held accountable to it. The basketball certification staff will closely monitor and strictly enforce NCAA certification requirements. Failure to conduct your event/league in compliance with the applicable rules or core values of the NCAA will result in the denial of future certification. Similarly, all deadlines are strictly enforced.

A complete list of activities certified by the NCAA is available online. If you have any questions regarding this information or the basketball certification process, please refer to www.ncaa.org/ECAG or Contact Enforcement Certification and Approvals Group.

Sincerely,

Sandy Parrott
Associate Director of Enforcement
Certification and Approvals Group
